PREFACE

These Report of Registration statistics, compiled and issued pursuant to Elections Code sections 607 and 6430, represent the number of persons registered to vote as of December 31, 1991, the 154th day before the June 2, 1992 Direct Primary Election.

One purpose for this particular Report of Registration is to determine, pursuant to Elections Code sections 6430 and 6430.5, the political parties qualified to participate in the June, 1992 primary election. The results of the certified counts of registered voters from the several counties show that the American Independent, Democratic, Libertarian, Peace and Freedom, and Republican parties remain qualified to participate in the party nominating process held at the direct primary elections. The Green party, which had declared its intention to qualify as a new political party, pursuant to Section 9950 *et seq.*, received more than the minimum registration of 78,992. The actual registration counts, by county, are set forth on Page 45. There was no attempt to qualify a new political party by petition.

This report of registration is the last to be compiled and issued reflecting the legislative and congressional districts defined by the legislature in the 1983-84, 1st Extraordinary Session.

Future reports of registration will reflect the newly re-apportioned Congressional, State Senate, State Assembly, and State Board of Equalization districts as contained in the Special Masters on Reapportionment Recommendations and which was adopted by the Supreme Court on January 27, 1992.

The next Report of Registration figures will reflect the registered voter population as of April 3, 1992. The registration figures should reflect the results of the pre-election purge, and the voter files on which this registration is based will be used to mail out ballot pamphlets for the June 2, 1992 Primary Election.

Note: The figures under the heading 'Eligible', the second column on Pages 1, 2, and 3, represent our estimate of the number of people in California who are eligible to register to vote as of December 31, 1991.

Population estimate data from the Population Research Unit of the Department of Finance were used to estimate each county's total population. Subtracted from this total was the estimated number of persons ineligible for registration and voting because of age, felony convictions, and citizenship status. The figures given are unofficial but represent a reasonable estimate of the population eligible to register and vote in California elections.
