## Preface

These Report of Registration statistics are compiled and issued under authority of Elections Code section 607 subdivisions (b) and (d)(6), and represent the number of persons registered to vote as of February 10, 1987.

These registered voter figures reflect the cancellation of the affidavits of registration for all nonvoters who moved outside their county of residence or for whom any mailing was returned by the Post Office as undeliverable.

The next Report of Registration, reflecting the registration of voters by qualified political party for participation in the 1988 Primary Election, will be published pursuant to Elections Code sections 6430(b) and 607 subdivisions (b) and (d)(2).

Source data, from the Population Research Unit of the Department of Finance, was used to estimate each county's total population as of February 10, 1987. Subtracted from this total were: the estimated number of persons ineligible for registration because of age, felony convictions, and citizenship status. The figures given are unofficial but represent a reasonable estimate of the eligible population.
