PREFACE

These Report of Registration Statistics, compiled and issued under authority of Elections Code section 607, represent the number of persons registered to vote as of April 3, 1992, the 60th day before the June 2, 1992 Primary Election.

The next publication of these statistics will reflect the number of persons registered to vote and the Primary Election, and will be available in late May.

Table of Contents

Registration by County	1
Registration by Political Subdivision by County	4
Registration by Congressional District	33
Registration by State Senate District	38
Registration by State Assembly District	42
Registration by State Equalization District	49
Registration by Judicial Appellate District	51

Note: The figures under the heading 'Eligible', the second column on Pages 1, 2, and 3, represent our estimate of the number of people in California who are eligible to register to vote as of April 3, 1992.

Population estimate data from the Population Research Unit of the Department of Finance were used to estimate each county's total population. Subtracted from this total was the estimated number of persons ineligible for registration and voting because of age, felony convictions, and citizenship status. The figures given are unofficial but represent a reasonable estimate of the population eligible to register and vote in California elections.
