PREFACE

These Report of Registration statistics represent the number of persons registered to vote as of February 10, 1992.

These registered voter figures reflect the new re-apportioned Congressional, State Senate, State Assembly, and State Board of Equalization districts as contained in the Special Masters on Reapportionment Recommendations and which was adopted by the Supreme Court on January 27, 1992.

The next Report of Registration figures will reflect the registered voter population as of April 3, 1992. The registration figures should reflect the results of the pre-election purge, and the voter files on which this registration is based will be used to mail out ballot pamphlets for the June 2, 1992 Primary Election.
