

## PREFACE

This off-year registration report, prepared under authority of Sections 458 and 6460 of the California Elections Code, shows voter registration in the state as of January 1, 1975.

The totals were compiled after the post-election purge of voters who failed to cast ballots in the November 1974 general election. The registration figures reflect approximate voter turnout by party at that election.

The next registration report will be published in February 1976 and will reflect political party strength as of January 1, 1976, the beginning of the election year.

MARCH FONG EU  
Secretary of State
