PREFACE

This Report of Registration summarizes the number of voters, by party affiliation, in each Assembly, Senatorial and Congressional District located in whole or in part within each county, and in each supervisorial district and city located within each county. It reflects registration following the cancellation of affidavits of registration of those registrants who did not vote in the November 2, 1976 Presidential Election *and* who *either* moved their residence outside the county where they were registered to vote *or* who moved within the county but failed to notify the clerk (in writing) of their new address.

Because the purge laws have changed, the number of non-voters in November *cannot* be determined by comparing these figures with the October 1976 Report of Registration figures. Non-voters have *not* been automatically removed from the rolls, as in years past. The above circumstances describe the criteria for cancellation of registration affidavits for the 1976 post-general election purge.

The purge of non-voters was conducted pursuant to Elections Code Section 383 as amended by Statutes of 1975, Chapter 1197, and Elections Code Sections 386 and 387 as amended by Statutes of 1975, Chapter 1191.

This Report of Registration is prepared and issued under authority of Elections Code Section 610 as added by Statutes of 1976, Chapter 1275. The next scheduled Report of Registration will show the number of voters registered as of January 3, 1978 and will be published subsequently, pursuant to Elections Code Section 6460.
