The cover artwork was developed by Christina Anderson, a student at Foothill High School in Santa Ana. The design received Honorable Mention in my 1989 "You've Got The Power" high school voter registration logo contest, and emphasizes the fundamental right of people in a free and democratic nation to choose the men and women who will represent our interests at all levels of government. By registering and voting, we exercise our "power of choice".

PREFACE

These registered voter statistics, compiled and issued under authority of Elections Code section 607, present the number of persons registered to vote in California as of January 2, 1990, the 154th day before the June 5, 1990 Direct Primary Election.

One purpose for this particular Report of Registration is to determine, pursuant to Sections 6430 and 6430.5, the parties qualified to participate in the June 5, 1990 direct primary election. The results of the certified counts from the counties show that the American Independent, Democratic, Libertarian, Peace and Freedom, and Republican parties remain qualified. Each of the three political bodies which declared its intention to qualify as a new political party, pursuant to Section 9950 and following, failed to achieve the required minimum registration of 76,172. Their actual registration counts, by county, are set forth on Page 60. There was no attempt to qualify a new political party by petition.

The number of persons registered to vote, 13,423,820, is a nine percent increase over the 12,313,848 registered as of the 154th day before the 1988 primary election. These registered voter figures reflect the cancellation of the affidavits of registration for all nonvoters who moved outside their county of residence or for whom any mailing was returned by the United States Postal Service as undeliverable.

The next registration figures to be published will reflect the close of registration (May 8, 1990) for the primary election and will be published shortly before the election.

The figures given are NOT OFFICIAL and represent our estimate of the eligible population.
