PREFACE

The statistics in this Report of Registration represent the number of persons registered to vote as of January 4, 1994.

You may notice that since the last such report issued in October 1993, the number of eligible citizens has declined markedly. This is due not to a decline in population, but to the fact that the Department of Finance was able to provide us with a wider range of data and more accurate, post-census figures. Working with Elizabeth Hoag of the Demographic Research Section of the Department of Finance and Penny O'Daniel of the Data Analysis Unit at the Department of Corrections, we have refined our method for calculating eligible population to provide a more accurate and reliable estimate. I am grateful to Ms. Hoag and Ms. O'Daniel for their assistance

Questions concerning any aspect of the production of these figures or requests for additional copies of this report should be referred to the Elections Division of my office at 1230 J St., Rm. 232, Sacramento 95814, telephone (916) 445-0820.

Note: The figures under the heading "Eligible", the second column of Pages 1 through 2, represent our estimate of the number of people in California who are eligible to register to vote as of JANUARY 4, 1994.

Population estimate data from the Population Research Unit of the Department of Finance were used to estimate each county's total population. Subtracted from this total was the estimated number of persons ineligible for registration because of age, felony convictions, and citizenship status. The figures given are unofficial but represent a reasonable estimate of the eligible population.
