

## PREFACE

In compliance with Section 6460 of the California Elections Code, this, the "June 1968 Primary" report, reflects party affiliation totals as of April 11, 1968, the date on which registration closed for the June 4, 1968 Presidential and Direct Primary Election.

It further reflects the district registrations of the two new parties, the "American Independent Party" and the "Peace and Freedom Party", which qualified in January as a result of each having a total party affiliation of over 66,059 registered voters. This qualification entitles these parties to have their own separate partisan ballot in June.

This report is the second one reflecting our automation of this report and again not only lists district totals and percentages, but contains a complete county breakdown by all districts within its boundaries, and an alphabetical listing of all cities in California. It also contains a listing of voting precincts to be utilized on June 4, 1968.

### **CONGRESSIONAL DISTRICT FIGURES**

All Congressional District figures in this Report reflect the districts AFTER the December 1967 reapportionment. The January 1968 Report of Registration contained figures based on the Congressional Districts BEFORE this reapportionment.
