This Report of Registration statistics reflects voter registration following the cancellation of affidavits of registration pursuant to Elections Code Sections 706 and 803. Registrations were cancelled for those persons registered to vote who did not vote in the November 4, 1980 Presidential Election and who either moved their residence outside the county in which they were registered to vote or who moved within the county but failed to notify the clerk (in writing) of their new residence address.

This Report of Registration is prepared and issued under authority of Elections Code Section 610. The next scheduled Report will show the number of voters registered as of January 5, 1982 and will be published subsequently, pursuant to Elections Code Section 6460(a).
