The cover artwork was developed by Christina Anderson, a student at Foothill High School in Santa Ana. The design received Honorable Mention in my 1989 "You've Got The Power" high school voter registration logo contest, and emphasizes the fundamental right of people in a free and democratic nation to choose the men and women who will represent our interest at all levels of government. By registering and voting, we exercise our "power of choice".

PREFACE

These registered voter statistics, compiled and issued under authority of Elections Code section 607, present the number of persons registered to vote in the June 5, 1990 Direct Primary Election. The last day to register was Monday, May 7, 1990.

The number of persons registered to vote, 12,981,429, is the greatest number of persons ever registered to vote in a California primary election, and is 444,222, or 3.5 percent, greater than the 12,537,207 registered for the 1988 Presidential Primary Election.

The next registration figures to be published will reflect the October 9th close of registration for the general election and will be published shortly before the election.

Note: The figures under the heading 'Eligible', the second column on Pages 1 through 3, represent our estimate of the number of people in California who are eligible to register to vote.

Population estimate data, from the Population Research Unit of the Department of Finance, were used to estimate each county's total population as of May 7, 1990. Subtracted from this total were: the estimated number of persons ineligible for registration because of age, felony convictions, and citizenship status. The figures given are unofficial but represent a reasonable estimate of the eligible population.
