PREFACE

This report of registration statistics for the 1980 Presidential General Election is prepared under authority of Elections Code section 6460, and represents voter registration as of October 6, 1980 (the last day to registrar in the General Election).

The number of persons registered to vote in this election, 11,361,020 is the greatest number of persons who have registered to vote in any previous election in California. The previous record registration figure for a general election was set by the 10,466,215 persons who were eligible to vote in the November, 1972 Presidential General Election.

The next registration figures to be published will reflect the purge of voters who have moved and did not vote in the General Election and will be published about March, 1981.
