Preface

This Report of Registration, compiled and issued under authority of Elections Code section 607, represents the number of persons registered to vote as of October 12, 1991. It is prepared by entering summary counts of registered voters in each qualified political party and in each political subdivision as certified to the Secretary of State by the 58 counties. The Secretary of State certifies the accuracy of this Report of Registration based on those certifications from the county elections officials.

For this report, the counties of Alameda, Monterey, San Diego, and Stanislaus have discrepancies in their certified summary statements. For their county supervisorial, congressional, State Senate, and Assembly districts, the sum of their registered voters is less than the number reported in the total registration for the county. The County of San Bernardino reports more registered voters in their State Senate districts than are registered in the county. These discrepancies are the result of county or vendor computer programs having errors which have been identified and which the vendor and counties are correcting.

The number of persons registered to vote at this time, 13,111,546, is an 0.87 per cent increase over the 12,997,925 registered as of February 10, 1991.

The January 1992 Report of Registration, which will be used to determine which parties are qualified to participate in the June 2, 1992 Presidential Primary Election, is expected to accurately reflect all county-wide and district registration figures.

Note: The figures under the heading 'Eligible', the second column on Pages 1, 2, and 3, represent our estimate of the number of people in California who are eligible to register to vote as of February 10, 1991.

Population estimate data from the Population Research Unit of the Department of Finance were used to estimate each county's total population. Subtracted from this total was the estimated number of persons ineligible for registration and voting because of age, felony convictions, and citizenship status. The figures given are unofficial but represent a reasonable estimate of the population eligible to register and vote in California elections.
