

PREFACE

The statistics in this Report of Registration represent the number of persons registered to vote as of October 24, 1995.

One purpose for this Report of Registration is to determine, pursuant to Election Code sections 5100 and 5101, the political parties qualified to participate in the March 26, 1996 primary election. The results of the certified counts of registered voters from the several counties show that the American Independent, Democratic, Green, Libertarian, Peace and Freedom, and Republican parties remain qualified to participate in the party nominating process held at the direct primary elections. The Natural Law and Reform parties, which had declared their intention to qualify as new political parties pursuant to Section 5000 et seq., received more than the minimum registration of 89,007 and have qualified to place candidates on the primary election ballot. The actual registration counts, by county, are set forth on Page 35.

Copies of this report can be obtained from, and questions concerning any aspect of the production of these figures should be referred, to the Elections Division of my office. The address and telephone number are 1500 - 11th Street, 6th Floor, Sacramento, CA 95814, Area Code (916) 657-2166.

Note: The figures under the heading "Eligible" (the second column on Pages 1 and 2) represent our estimate of the number of people in California who are eligible to register to vote as of OCTOBER 24, 1995.

Population estimate data from the Population Research Unit of the Department of Finance were used to estimate each county's total population. Subtracted from this total was the estimated number of persons ineligible for registration because of age, felony convictions, and citizenship status. The figures given are unofficial but represent a reasonable estimate of the eligible population.
