Note: The figures under the heading 'Eligible', the second column on Pages 1 through 2, represent our estimate of the number of people in California who are eligible to register to vote as of October 5, 1998

Population estimate data from the Population Research Unit of the Department of Finance were used to estimate each county's total population. Subtracted from this total was the estimated number of persons ineligible for registration because of age, felony convictions, and citizenship status. The figures given are unofficial but represent a reasonable estimate of the eligible population.
